Week 7 Term 3 2022

Kia ora koutou,

Another term is zooming past! First of all, I'd like to say well done to our Rippa team that competed in the King Country Primary Schools Rippa tournament last week, you all showed determination and a lot of heart. We had a mixed team from Years 4-8 playing in the Year 7 & 8 division so it was great to be able to showcase what we are capable of in our little country schools! Well done Team!

Week 8, we have the **Kawhia Moana Inter School Cross Country in Kawhia at Ōkapu Station**, weather permitting. Please ensure you have completed the permission form on Skool Loop and indicated if you can support with transport. The week is expected to be wet so please ensure children bring a change of clothes, wet weather gear, a drink bottle and a full lunch box. The event starts at 10am with our Year 5's running first up so we will be leaving school at 8:50am once the bus has arrived. There will be a coffee cart and student bake sale available but cash sales only.

Ka pai to mahi! well done to our these tamariki who earnt a values certificate at assembly!

Lost Property

The lost property is growing again. Please make sure ALL clothing is labelled.

School Assembly

Celebrating our learning with whānau Friday 30th September Wk **10** @ 2:30pm (due to TOD wk 9)

School Uniform

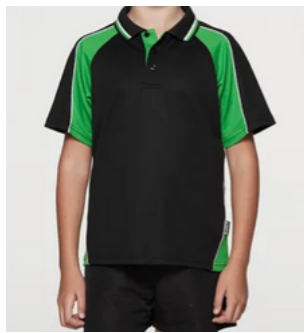

A reminder that in Term 4 we are stepping into a school uniform, ***school polo is compulsory only.***

Unfortunately, I have run into difficulty in ordering of more school polo tops, in that they no longer produce the polo that we currently have. So there will be a change in our new polo (we have one as close as we could get to the original - black and green polo). Kids will be able to continue to wear the old polo tops.

The new polo will be able to be purchased online from Direct Group Uniforms for \$39.95.

There will also be **optional** items to purchase such as school shorts, school bucket hat, school hoodie and school polar fleece.

The school online shop will be active and live towards the end of the week, I will send out details to access this.

Half Day Classroom

To support the exciting growing numbers within the school and the teaching and learning within Tui, we now have a third classroom that operates in the breakout space of Tui from 9-12:40 pm Monday-Thursday with Whaea Sharyn.

This is an opportunity to target learning in smaller groups for our senior students.

Please if you are trying to ring the school during the morning be mindful that all staff are teaching so please leave a message and we will clear messages during the learning breaks.
