

Monday 20th July, 2020

Welcome back to Term 3, 2020. I hope everyone managed to have a break and spend some quality time with friends and whanau.

We have so much happening this term, it is going to be full on. Hang on to your hats and come for the ride.

We have two new tamariki start with us this term.

Anna Fletcher who joins Pukeko and Ryan Beattie who joins Piwakawaka. Great to have these two join the whanau here at Ngutunui.

Building Work:

As you can probably see we have started work on the main block. We are updating the senior class and cloak bay area. We are also tidying up the boys toilets and outside the cleaners room.

So we have managed to place three classrooms in our top block. We have Mrs Bleasel and her children in the library, Ms Leather has moved into where Piwakawaka was and Miss Bowen stays where she has been all year. It will be exciting and challenging to have all the tamariki/children in the same area. They will be running as three separate classrooms most of the time. The building renovations will be completed and Tui will be moved back into their class at the end of this term.

School Van:

At the end of last term the BOT purchased a van for school. This will be used for group trips and for picking up children at the crossroads at the top of Pekanui Road.

Yummy Fruit Fundraiser:

Keep collecting your stickers, these will continue until the end of term.

Scholastic Book Club:

The current book catalogue will be coming home today with your newsletter. The orders are due back by Friday 31st July.

Breakfast Club:

This term we will continue with Porridge, Weetbix and Toast for the tamariki. Just remember that anyone is allowed to come and have breakfast.

Assembly:

This term we are going to run with Monday afternoon assemblies. Our assembly will be every second Monday. We have started today and the next one will be on Monday 3rd August.

Children Absent:

If your child is absent from school due to illness, family or anything else please let Lesley in the office know. She will try and get hold of you if she does not hear from you. It is all about keeping our tamariki safe. We appreciate your support with this.

Lost Property:

Please have a look at the photos of the lost property. These are all going at the end of the week to the Op Shop. They are sitting at the front of the hall. Please come and get them if they are yours.

Ngā mihi

Cleonie Whyte

Principal
