Week 6 of 10

Kia ora, Good afternoon. How much more rain can we possibly have? My gumboots are a regular sight at school at the moment. We are now in another few weeks of Level 2. If you are entering the school please make sure you use the QR code on the window in the office. If you can't please sign in at the office. I appreciate your cooperation with this.

Unfortunately I got an email last night to let us know that the Lower Waipa Cross Country has been cancelled this year. To be honest I think they were scared as they knew we have some amazing runners at our school. 😊

Ngutunui School Speech Finals:

Unfortunately we have had to postpone our speech finals this week, the reason is that I have heard this is an extremely successful afternoon and we will not be able to accommodate everyone in the hall with the metre apart rule. We will be having the senior finals tomorrow morning so we can get the numbers to represent us at the Lower Waipa Speech Finals (if they go ahead).

Building Work:

Part of having the teachers only day was to allow the builders to pour concrete outside the toilet area. This is looking amazing. The work inside the classroom is really coming along and we can't wait for it to be completed. We have made a few changes to the inside of the building, it is going to look so new and clean when Tui go back.

Teacher Only Day:

I would like to thank you for keeping your children home yesterday, we had our teachers teaching teachers. We all came away with new learning.

Welcome:

We love to welcome Jaimee who we have appointed as our new teaching angel who is working alongside one of our tamariki in Piwakawaka. She has settled in well and we love having her happy personality around the school.

Calf Fundraiser:

This year Ngutunui Enviro School is participating in the Calf Rearing Scheme. If you would like to donate a reared calf then please contact Lee Bennett 021 033 9304. We are looking at raising funds for new swings at the school.

Chocolates:

These are still available, please let me know and I can send a box home with your child if required. Again I would like to thank you all again for the support you have given the school with this fundraiser.

Ngā mihi

Cleonie Whyte

Principal

Term Three Dates to Remember:

Bank Account:

Our account:

03-0442-0030952-00

We are really sorry but to make life easy for everyone we have decided to have one account only. This will be the number for everything – all money coming into the school will go into this account and we would appreciate if you could use the code to let us know what the money is for – e.g lunches, camp, stationery...
